RESTORAN  
**GOLF**  
JELOVNIK

**BAS** А.Д.

11000 Beograd, Železnička 4

Kuća „Golf“ sagrađena je davne 1936 godine. U svojoj bogatoj i burnoj prošlosti restoran je prolazio kroz različite periode a od početka novog milenijuma nalazi se u vlasništvu BAS-a.

Pre više od šest decenija, ovde, u restoranu „Golf“ u kreaciji Milovana Miće Stojanovića, jednog od naših najboljih kuvara, nastaje Karađorđeva šnicla. Kao veoma omiljeno jelo vrlo brzo ulazi na velika vrata srpskog kulinarstva i još brže nalazi put do mnogih prestižnih restorana.

Danas je Karađorđeva šnicla rasprostranjena od Beograda do Tokija a originalni recept još je kod nas.

Dragi gosti, dobro nam došli !!!

The Golf House was built in 1936. In its rich and turbulent past, the restaurant went through various periods, and since the beginning of the new Millennium it's owned by the BAS (Belgrade Bus Stations).

More than six decades ago, here in the Golf Restaurant, in creation of Milovan Mića Stojanović, one of our best chefs, Karadjordjeva šnicla (Karadjordje's Steak) was made.

As a very popular dish it quickly made a grand entrance into the Serbian cuisine and even more quickly it found its path to many prestigious restaurants. Today, Karađorđe's steak is served in restaurants from Belgrade to Tokyo, and the original recipe is still in our possession.

Dear Guests, welcome!!!
